THE NEW AWEX RANGE

featuring Atlas Copco pneumatic motors

Three pneumatic solutions tailored to your die-cut waste.

AWEX-8AC

THE PRECISION SPECIALIST

For particularly narrow die-cut waste located deep within the stack.

Motor	Atlas Copco
Power	500 W
Operating pressure	6.3 bar (91.4 psi)
Air consumption	14 l/s
Weight	3,16 kg
Chain width	8 mm
Guard width	approx. 15,5 mm

AWEX-T3

COMPACT POWER

Versatile model for standard trim waste, as well as larger and thicker pieces.

Motor	Atlas Copco
Power	500 W
Operating pressure	6.3 bar (91.4 psi)
Air consumption	14 l/s
Weight	4,0 kg
Chain width	20 mm
Guard width	30 mm

AWEX-T4

THE PREMIUM MODEL

Our most powerful model for large-surface and thicker trim waste.

Motor	Atlas Copco
Power	650 W
Operating pressure	6.3 bar (91.4 psi)
Air consumption	17 l/s
Weight	4,7 kg
Chain width	20 mm
Guard width	30 mm

ALSO AVAILABLE WITH TWO-HAND CONTROL

On versions with two-hand control, a second lever integrated into the handle must be operated simultaneously. Releasing either lever causes the device to stop immediately.

COST-EFFECTIVE EFFICIENCY

- At least 100 times faster than manual waste removal
- Rapid return on investment through time savings
- Stacks remain perfectly aligned
- For solid board, micro-flute, corrugated cardboard, laminated board, and twin-wall polypropylene sheets
- Proven worldwide

SERVICE, REPAIRS, AND SPARE PARTS

AWEX designs durable and repairable industrial equipment. We provide technical support, repairs, and long-term availability of spare parts-from individual components to pre-assembled sub-units.

Available accessories: practical, essential add-ons for professional use.

Durable and repairable.
